# Our Services

PHOTOGRAPHY & VIDEOGRAPHY | LIVE STREAMING | DRONE SERVICES  
WEB DESIGN & DEVELOPMENT | MEDIA & IT CONSULTANCY | FILM PRODUCTION

# Photography & Videography

At Starbase Media, our Photography & Videography services are the embodiment of creativity and professionalism. Whether you're in need of striking studio portraits, captivating indoor/outdoor photo shoots, coverage of your dream wedding or engagement, capturing the essence of events, conferences, and launches, highlighting your products through product photography, showcasing real estate properties in their best light, or narrating compelling stories through documentaries and feature stories - we've got you covered.

Our team of highly skilled photographers and videographers combines technical expertise with artistic flair to create visuals that not only meet but exceed your expectations.

We are equipped to handle a variety of settings, from the controlled environment of a studio to the spontaneity of outdoor locations. With a commitment to excellence, we ensure that every moment is preserved with utmost care and creativity, allowing you to relive them with joy for years to come.

# Live Streaming

Experience real-time engagement with our Livestream Services at Starbase Media. We specialize in providing live coverage for all your events and functions, seamlessly connecting you with your audience through your favorite social media platforms, including YouTube and Facebook. Whether it's a corporate conference, product launch, wedding ceremony, or any special event, we ensure that every moment is shared with precision and professionalism.

Our skilled team combines cutting-edge technology with creative expertise to deliver high-quality livestreams that capture the essence of your event. Engage with your viewers in real time, answer questions, and share the excitement, all while expanding your reach. Trust Starbase Media for flawless livestreaming that brings your events to life.

## Drone Service

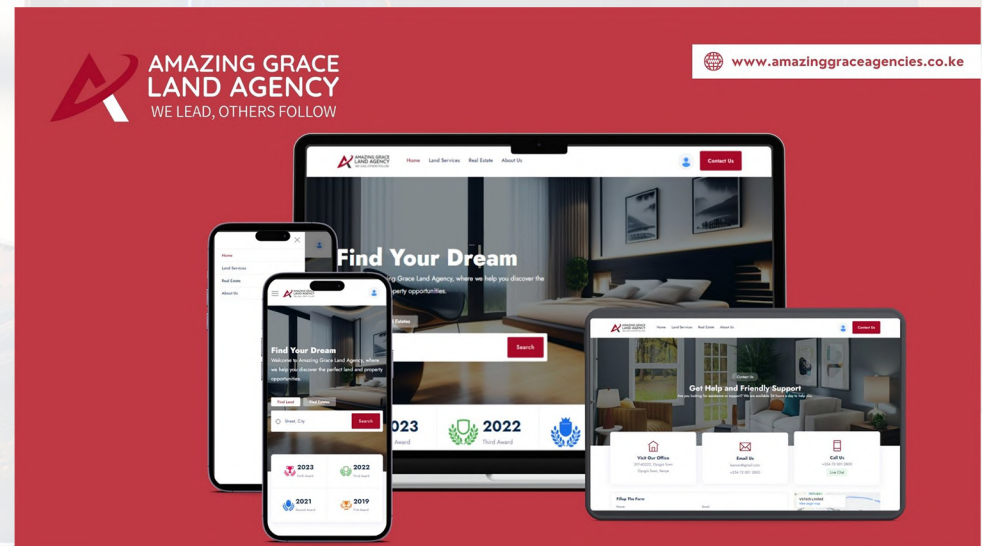

Elevate your visual storytelling with our Exclusive Drone Services at Starbase Media. Our cutting-edge drones offer aerial coverage that adds a captivating perspective to your projects. Whether you require stunning visuals for real estate listings, surveys, advertisements, captivating documentaries, event coverage, or even party highlights, our drone services deliver breathtaking results.

Our team of experienced drone operators ensures safe and precise flights, capturing the essence of your subject from unique angles. From sweeping vistas to intricate details, our drones bring a new dimension to your visual content. Trust us to make your project soar above the rest with our Exclusive Drone Services.

# Web Design & Development

Experience the power of a strong online presence with our Web Design & Development services at Starbase Media. We offer a comprehensive suite of services, including email domain and hosting, web domain and hosting, digital marketing, and a range of website solutions.

Whether you're an individual seeking a personal website or a business in need of a corporate online presence, we've got you covered. Our expertise extends to e-commerce and online shopping websites, complete with payment integrations, including Mpesa. We also provide website management and maintenance, App development, and search engine optimization (S.E.O) services to ensure your online success.

# Media & IT Consultancy

At Starbase Media, we offer expert Media & IT Consultancy services to guide you through the complex landscape of media and technology. Whether you need advisory services on media-related issues, in-depth research, evaluation of your media strategies, or ongoing monitoring of your digital presence, we have the expertise to assist you.

Our consultants are dedicated to helping you navigate the ever-changing media and IT landscape, ensuring that your strategies are aligned with your goals. Whether you're a business seeking to enhance your online presence or an organization looking to optimize your media initiatives, our consultancy services provide invaluable insights and recommendations.

# Film Production

In this fast-paced world of content creation, you need a creative partner you can trust. With an experienced team well-versed in the majority of video formats, we're equipped to offer tailored solutions that align with your unique objectives, target market, budget, and requirements.

Our Film Production Services Department provides unparalleled production support and crew expertise in all production areas. From location scouting, and permits to line production, crew, logistics, and equipment rental, we manage all aspects of production, ensuring a seamless experience wherever your project takes you.

# How We Do It

Starbase Media Ltd way is honesty in delivering assessments, setting goals, executing tasks, monitoring performance, evaluating progress and learning from experience.

## Research & Knowledge Base

We analyze past experiences and extract the learned lesson. Therefore, our clients benefit from a knowledge base perfected over the years. We always study before we tackle the task. We know where to look and what to look for. We save our clients the headache of trial and error.

## Plans, Timeframes & Measurables

Whether single requests or year-long campaigns, our clients are presented with clear action plans. They'll have solid timeframes and measurables to track the progress.

## Quality Control

Our internal auditing mechanism ensures several filtration layers. This way, the result amounts to delivering only the creme de la creme to the client.

## Involvement & Follow Up

Our clients are involved in every step along the way. Because we are wired for long-term contracts and retained customers, we assign a Project Manager to cater for our clients' needs. In addition, they will receive regular status reports, supported by figures and visuals.
